Place 43. - Strabellini village, Copper Island, and the
beach at mouth of river. August 11, 1900.

14

34b

Handwritten notes above the photo, possibly "Linnæus" and "mab"

Faint, mostly illegible handwritten text within a rectangular border, likely a caption or description of the photograph.

Handwritten notes to the right of the photo, including "Linnæus" and "mab" written vertically.
